We moved 7 encampments south to the end of the basketball courts on the sidewalk. The park was clear. The homeless people were cooperative for our operation. One of the doorways to the pool building was cleared twice. I'll work to get help on the entire perimeter of the park from our LAPD partners in LAPD HOPE, Hollywood Division Senior Lead Officers, and SSD. I am sure that LAHSA and DMH has been outreaching.

One homeless elderly lady who is ill is going to receive services on Monday and may move. We offered outreach to everyone and engaged with them for their cooperation.

An emergency job order was created for gang graffiti on the pool building wall.

See photo.

Expanding this email to Director in Charge, Park Maintenance Supervisor, Council Office and others for future collaboration.

Jessica,

I'll do the best I can tomorrow. I am tied up on Saturday. However, we pulled it together last season with the hands-on help of Lt. Andre Brent. Let's discuss.

Is there parking restrictions on either street for the event?

Hello,

I am writing to request remediation of the displaced persons residing and hanging out in Hollywood Park. Council District 13 will be holding a "Dive In and Splash" event on Saturday, June 10th at 1pm at the pool and per their request, they would like the park to be as presentable as possible for the children and media that will be in attendance.

Thank you for your assistance in this endeavor,
